I-80/94 lane restricted during Major Moves construction

Restriction scheduled for 3-5 a.m. July 7

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces the right lane of westbound I-80/94 (the Borman Expressway) near the entrance ramp from northbound I-65 will be closed from approximately 3-5 a.m. July 7 while the pavement markings are adjusted to the ramp entrance's new configuration.

This work is in relation to the Major Moves New Construction Interchange Modification project at I-65 and I-80/94 (the Frank Borman Expressway).

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to use caution and consider worker safety when traveling through a construction zone. For more information about the Interchange Modification, visit www.in.gov/indot/div/projects/borman/ online.

Gov. Mitch Daniels' Major Moves transportation plan fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
